

## **Can I also fill out census form online as I file my tax return?**

The 2020 Population and Housing Census provided respondents not only personal interview but also to fill out the census form online or fill out the paper form by self and ask enumerators to collect it at scheduled time. If you fill out a census form online, you may read the instructions online or "the 2020 Population and Housing Census Guide" provided by the enumerator. If you had any problems when fill out the form, you may call toll free number listed online or on the Guide.
