Brief

The survey has been conducted every year since 1978 with an aim to gain understanding of manpower utilization in Taiwan Area, with results of the survey to enrich the data required by manpower research. The survey was done concomitantly with the Manpower Survey (originally called the Labor Force Survey) in May 2026. In terms of contents, the survey this time was mostly the same as those in the preceding years. The Manpower Survey, used as a base, was supplemented with the following data, (1) Major job's work type and job-switching; (2) Expected jobs and job opportunities of unemployed people; (3) Working willingness of persons not in the labor force; (4) Labor force participation of married women and etc.
