

Fee-charging Standards for census/survey data processing, site and facility usage provided by DGBAS, Executive Yuan

Article 1

The Standards are enacted in accordance with Article 10 of the Charges and Fees Act.

Article 2

The fees for census/survey data processing, site and facility usage are as follows:

1. The fees for census/survey data processing derived from specific demand of users are determined by the volume of data requested, based on the unit of megabyte. The fees will be NT\$1,000 for less than 50 megabytes of data; NT\$2,000 for 50 to less than 100 megabytes of data; NT\$4,000 for 100 to less than 500 megabytes of data; and NT\$5,000 for 500 megabytes of data and above. The aforementioned fees exclude saving media, and the data volume is determined separately for each census/survey data item.
2. For onsite data processing, the site and facility usage fees are added in addition to the data usage fees in the preceding article:
 - (1)The basic fee for site usage for each case will be NT\$2,000.
 - (2)The fees for machine/equipment usage will be NT\$200 per machine/equipment per day. Partial day will be counted as one day.

Article 3

The fees for census/survey data processing, site and facility usage will be reduced according to the following provisions:

1. The fees for census/survey data processing will be reduced by 50% for schools or academic institutions in the needs of teaching or research.
2. The fees will be waived for government agencies or people's representative bodies for official needs.

Article 4

The Standards take effect on the date of promulgation.
